Effective Date	April 1, 2026
Responsible Department	Niterra Co., Ltd. Global Strategy Division Business Strategy Dept.

Group Company Management Rules

(Purpose)

Article 1. These rules aim to establish basic operating policies and management systems for group companies in order to promote the development of the Niterra Group as a whole.

(Basic policy)

Article 2.

1. The management of the Group Companies shall be based on the maintenance of cohesiveness as a corporate group by sharing the Corporate Philosophy, CSR and Sustainability Charter, CSR Basic Policy and Management Vision across the Group, as well as respect for the autonomy and independence of the Companies.
2. The Companies shall follow the policies, rules, and standards established or prescribed by Niterra and perform the necessary procedures concerning important approval, guidance, and reporting.
3. The Strategic Management Dept. of Niterra shall oversee the basic policies of the Companies from the perspective of Group management.
4. The Companies shall develop mid-term plans and other strategies and strive to improve the corporate value through close coordination and cooperation across the Group.
5. The Companies shall clarify responsibilities and authorities in the organizations and develop management systems to maintain and enhance the governance. The department in charge of internal audits in Niterra shall audit the business operations of the Companies in general.

(Definition of Niterra Group and Group Company)

Article 3. Definition of Niterra Group and Group Company follows General Provisions for All Group Rules.

(Management Control over Group Companies)

Article 4. Management control over Group Companies refers to the following matters for the steady growth of the Niterra Group.

1. Activities to achieve the management plan
 - (1) Grasping the progress of the management plans of each Company (business) and Group Company, and analyzing the causes of plan variances.
 - (2) Appropriately analyzing the business environment and clarifying risk factors that significantly affect business management. (3) Considering and implementing countermeasures if there is a possibility of not achieving the plan.

2. Compliance with laws and regulations regarding the management of Group Companies

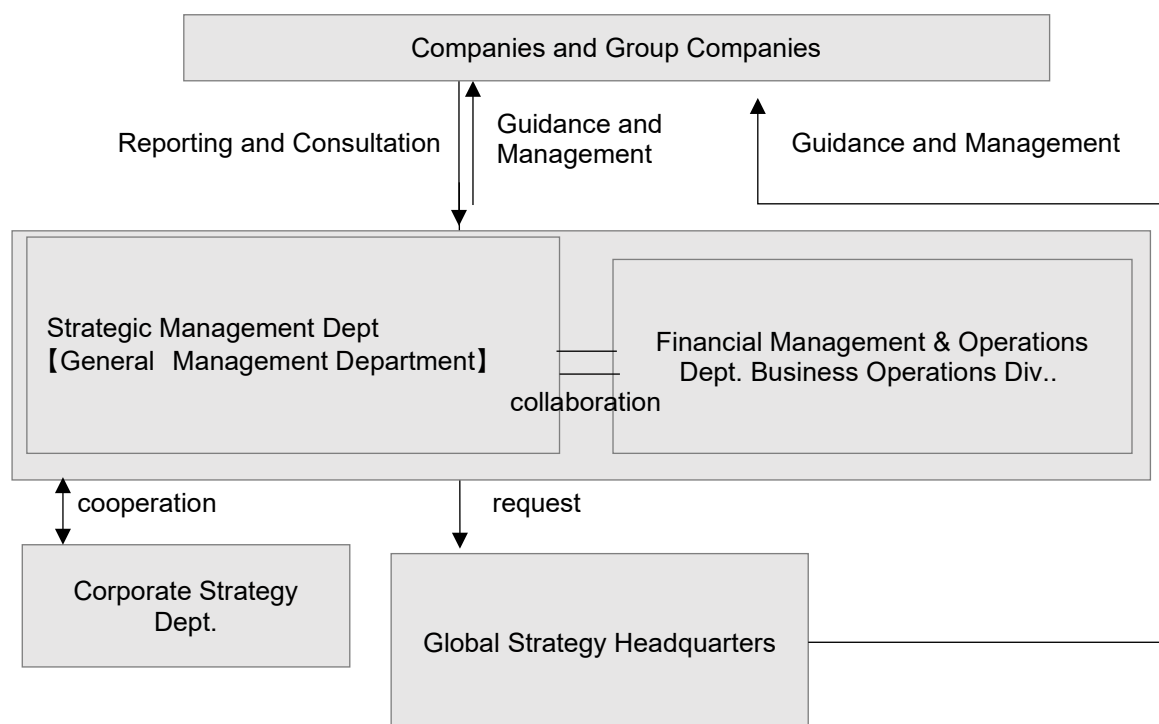

(1) Guiding and managing to carry out in such a way that efficient, appropriate, and smooth-running operation of the Group company as a whole is implemented under Niterra's management policies, various rules, and other arrangements, as well as various laws and regulations, including the Companies Act.

(2) Niterra should instruct and manage Group Companies to ensure that their approval processes are established and operated appropriately.

(Roles of Departments Related to Management Control over Group Companies)

- Article 5.**
1. Strategic Management Dept. of Niterra shall be in charge of the Supervisory Management Department and shall carry out the overall supervisory management of Group Company operation.
 2. The Strategic Management Dept. shall perform the management control stipulated in Article 4 in collaboration with the Planning and Control Division, Financial Management & Operations Dept, Business Operations Headquarters, upon agreement on the scope of operations.
 3. The Strategic Management Dept. shall share issues extracted through management control activities with the Corporate Strategy Dept. and verify their content together with the Corporate Strategy Dept. Countermeasures shall be considered with the Sections of the Global Strategy Headquarters as necessary.
 4. Countermeasures shall be implemented through the cooperation of the Strategic Management Dept. and the Sections of the Global Strategy Headquarters. The Corporate Strategy Dept. shall consider and execute the allocation of management resources and optimization of the organizational structure for the implementation.
 5. Companies and Group Companies with subsidiary companies shall perform the management control stipulated in Article 4 for the entities linked to them. The Strategic Management Dept. shall inclusively manage this in collaboration with each Company and Group Company.
 6. The RHQ shall perform the management control stipulated in Article 4 for the entities under its control as defined in G01 General Rules for Group Companies. Issues extracted through management control shall be shared with the Mobility Company and reported to the Mobility Company Executive Meeting as necessary.
 7. In the performance of management control over Group Companies, matters to be determined by the Board of Directors of Niterra, matters to be determined by the Representative Director, or matters to be determined based on Group Approval Rules shall be implemented after obtaining approval.

8. In the performance of management control over Group Companies, important matters shall be appropriately reported to the Board of Directors of Niterra or similar bodies by the Executive Officer in charge or the Executive Officer responsible for the Supervisory Management Department, as necessary.

(Other Duties of Each Section of the Global Strategy Headquarters)

Article 6. The Sections of the Global Strategy Headquarters of Niterra other than the Supervisory Management Department shall actively provide guidance and management to Group Companies regarding each function related to the operation of Group Companies (general affairs, human resources, accounting, information systems, etc.) in cooperation with the Supervisory Management Department, based on their specialized responsibilities.

(Group Company Directors and Audit & Supervisory Board Members)

Article 7. 1. When Directors and Audit & Supervisory Board Members are to be dispatched from Niterra to a Group Company based on the Group Company's request or Niterra's policy, candidates shall be selected at the Management Meeting of Niterra upon consultation among the Executive Officer responsible for the Human Resources Strategy Dept., the Executive Officer responsible for the Corporate Strategy Dept., and the Executive Officer responsible for the Strategic Management Dept.

2. Directors dispatched based on the Group Company's request or Niterra's policy shall attend the Board of Directors' meeting and perform duties such as fulfilling the duty of due care of a good manager regarding management at the operating subsidiary, communicating Group policy and reflecting it in the subsidiary's decision-making, scrutinizing investment projects within the subsidiary, and addressing issues specific to each company. In the event that an event significantly affecting the management situation is recognized, it shall be reported to the Executive Officer responsible for the Corporate Strategy Dept. and the Executive Officer responsible for the Strategic Management Dept. When taking countermeasures, action shall be taken as necessary in collaboration with the Corporate Strategy Dept. and the Strategic Management Dept.
3. The dispatched Group Company Audit & Supervisory Board Member from Niterra shall conduct business audits and accounting audits, and submit the results to the Strategic Management Dept. (business audit) and the Finance and Accounting Dept., Management and Financial Operations Dept. (accounting audit).
4. Group Companies must deliberate important matters related to business operations in a meeting attended by Directors dispatched from the Head Office. The important matters related to business operations stipulated in this paragraph refer to matters to be submitted to the Head Office. Applicable meetings include the Board of Directors, etc.

(Matters to be submitted)

- Article 8.** Group Companies shall submit the following documents to the Supervisory Management Department and other related departments regularly, from time to time, or as necessary, and report on their contents.
- (1) Monthly settlement report (balance sheet, income statement, manufacturing cost statement, selling expenses general management, cost statements, periodic reports), cash flow statements and attached descriptions etc., as required.
 - (2) Monthly Business Report (regular report)
 - (3) Items concerning personnel, labor and organization other than those stipulated in the Group Approval Rules
 - (4) Minutes of general meetings of shareholders (including agendas, explanatory materials, and other related documents that support the minutes)
 - (5) Minutes of Board of Directors meetings (including agendas, explanatory materials, and other relevant documents that support the minutes)
 - (6) Capital Investment Plan and Progress
 - (7) Matters significantly affecting management.
 - (8) Other Items requiring particular reporting

(Purpose and structure of regional headquarters (RHQ))

Article 9. Regional Headquarters (RHQ) are established with the aim of enhancing the sophistication and efficiency of global Group management. The RHQ shall play the central role in driving regional strategies in collaboration with the company-wide strategy, while handling swift decision-making in each region, thereby contributing to the improvement of the corporate value of the Niterra Group.

(Special provisions in joint ventures and overseas Group companies regarding the application of these rules)

Article 10. 1. If a Group Company is a joint venture, the extent of Niterra involvement in management needs to be determined in light of the circumstances of the individual company. These rules will be applied by comprehensively taking into consideration the joint venture arrangements, etc.

2. If a Group Company outside of Japan is to be treated differently from the provisions of these rules in light of the unique culture, customs, history, laws, and circumstances of each country, the Executive Officer in charge or the Executive Officer responsible for the Supervisory Management Department will make a decision on an individual basis.
